

Transport & Social Media Policy

Transport

Parents/carers are responsible for transport to and from OHCC sessions and away fixtures. Coaches and volunteers do not transport unrelated junior players in private vehicles other than in a documented emergency, with parental consent and a second adult present.

Communications

All communications from coaches and volunteers to junior players must be conducted via the parent/carer. Direct one-to-one messaging between adults at the club and junior players on personal accounts is prohibited.

Social Media

Official OHCC channels are managed by nominated adults. Photographs and video of junior players will only be published with signed parental consent. Players' full names will not be published alongside images.

Reporting

Any inappropriate contact, message, or online behaviour must be reported immediately to the Safeguarding Officer (safeguarding@ohcc.uk).
